

PATENT PENDING DESIGN!

Introducing the ultimate in flexibility - the all-new VRV camper from LIVIN LITE! The VRV (Versatile Recreational Vehicle), is a unique combination of a cargo trailer and camper! Featuring QUICKSILVER's famous ALL-ALUMINUM construction, the VRV is built to stand the test of time while offering the lightest toy haulers on the market. Unlike other cargo trailers, which are built using steel and plywood (which rusts and rots) - the VRV offers the ultimate in lightweight versatility, with more than enough room for your motorcycle, full size ATV (with roll cage); golf cart; scooters; and more - all in an insulated and finished, all-aluminum coach!

Choose from a variety of exterior colors, each highlighted with rugged diamond plate trim, aluminum floor planking, aluminum frame; sidewalls and roof trusses. Even the cabinetry is aluminum!

THIS 8.5 x 16 MODEL WITH LIVING QUARTERS AND TWO TIPS OUTS WEIGHS ONLY 2,500 lbs!

ALL ALUMINUM CONSTRUCTION!

The entire structure - including the frame, floor decking, and cabinetry!

The VRV from LIVIN LITE RV comes in a variety of floorplans and sizes so there is sure to be a model that will your family's needs perfectly. Choose from a 5x10 single tip-out model (shown below left) to a 8.5x22 model with full cabinetry and a wet bath. The VRV affords plenty of room to allow you to sleep with your bike stored comfortably beside you!

CAMPING/CARGO TRAILERS

QUICKSILVER

Whether you are a weekend warrior or a racing family - the VRV by LIVIN LITE offers you the best value for your investment. Why spend tens of thousands more on a traditional toy hauler - with all of its wood and weight - and with expensive features you just don't want or need? Choose the all-aluminum, lightweight toy haulers that allow you to take your family camping in a comfortable unit that is designed for the rugged lifestyle that you are looking for!

Spend More Quality Time with Your Family!
